

COLORADO CERTIFIED PUBLIC MANAGER® PROGRAM

2021 CPM Denver Schedule

Classes are currently being held from 8:30am-12:30pm via Zoom (unless listed otherwise below)

Managing Crises, Emergencies and Disasters – M2021 – February 26 (F) | March 5 (F)

Includes: management principles for public and nonprofit organizations in the areas of effective emergency response, emergency preparedness, disaster recovery and promotion of community and organizational resilience; also includes crisis leadership and communication.

Public Engagement and Communication – P2021 – May 21 (F) | May 22 (Sa) | May 28 (F) *8:30a-1:30p

Includes: working with elected officials, establishing working relationships with key partners (w/in and w/out organizations), media relations, and effective presentations.

Strategic Planning and Management – A2021 – June 11 (F) | June 12 (Sa) | July 9 (F) | July 24 (Sa)

Includes: analytic techniques in strategic planning, understanding fiscal & budgetary approaches and management, understanding public involvement in policy making and governmental operations, and use of critical tools.

Fostering & Managing Organizational Innovation – G2021 – August 13 (F) | August 14 (Sa)*8:30-1:30p

Includes: performance measurement, change and innovation, project management, evidence based management, and management of information and communications technology. **This session is usually held in March and will be held again in March 2022.**

Management Fundamentals and Emerging Trends – F2021 – Sept 24 (F) | Sept 25 (Sa) | Oct 22 (F) | Oct 23 (Sa)

Includes: managing human resources, administrative legal issues, use of data in evidence based management, decision-making and reporting results.

Leadership in Organizations – L2021 – Nov 5 (F) | Nov 12 (F) | Dec 3 (F) | Dec 10 (F)

Includes: knowing & managing yourself, effective teams, conflict resolution & negotiation, and ethical behavior.

Capstone Project – C2021

Includes: a practical project undertaking toward the end of the CPM program. The project can be based on a problem faced in your own organization or in another organization, but it must be something real, significant and useful. The capstone project demonstrates mastery of the skills developed throughout the CPM curriculum.
